RE: **Software Developer intern**

Dear Ms. XYZ,

It is with great interest that I submit my cover letter and resume in response to your exciting opportunity as a **Software Developer intern** which was advertised on your company's website. I have experience with software programming in C and Java. I am completing an Advanced Diploma in Software Engineering Technology in April 2024 and also hold a Bachelor of Technology – Computer Science.

During my previous work terms, I have gained extensive abilities in software designing. As a Java Software Developer at Coforge Ltd., I worked with the core developer team to provide efficient software to our clients. Furthermore, as a Software developer in Coforge Ltd., I have worked on HTML, CSS, JavaScript, Hibernate, Spring Boot, Postman, Tomcat, Github, and Angular. The attached resume includes more information about my technical skills and experiences related to the available position.

I understand that Ontario IT Consulting Inc. has received numerous business awards for its outstanding products and services. I would be proud to be a part of your innovative team and to contribute my existing knowledge and skills in this field.

I would welcome the opportunity to attend an interview to discuss my qualifications for this position in person. Thank you for your time and consideration.

Sincerely,

Munish Bali
